We are hoping to recruit people with a mix of skills and have identified some areas of expertise that would be useful to have represented on the board. However, of greatest importance is that Directors are passionate about the future development of the Normandy Community Shop and Cafe and that they have the time and energy to invest in helping shape the business.

Skills / expertise that would be particularly useful for Board members to hold include:

- Operations management
- Retail, Café, Post Office experience
- People management
- Marketing experience
- Business development
- Financial management

In accordance with the Society Rules the Board will be able to co-opt up to two unelected individuals to the Board should there be any gaps in expertise.

Director's liability

The NCSAC is a company registered under the Co-operative & Community Benefit Societies Act 2014 and enjoys limited liability in the same way as companies registered under the Companies Acts. The company is a separate legal entity from the members and directors. As such the directors incur no personal liability for actions undertaken as agents for the company, providing they act in good faith. However, in certain circumstances liability may be imposed by a court of law, for example, if the Directors are found to have knowingly acted wrongfully or fraudulently. We have Directors' and Officers' liability insurance. All debts incurred by the company are the company's liabilities and not directly the legal liabilities of the members or of the directors.

Anyone wishing to stand as a Director should meet the 'fit and proper person' test, as defined by HMRC. Factors that may lead to the NCSAC deciding that a member isn't a fit and proper person to be a Director include, but aren't limited to, where individuals:

- have been barred from acting as a charity trustee by a charity regulator or Court, or being disqualified from acting as a company director
- have been involved in tax fraud
- have been involved in other fraudulent behaviour including misrepresentation and/or identity theft
- are known by HMRC to have involvement in attacks against, or abuse of, tax repayment systems
- have used a tax avoidance scheme featuring charitable reliefs or using a charity to facilitate the avoidance
- have been involved in designing and/or promoting tax avoidance schemes
- have unspent convictions for bribery, terrorism and money laundering, misconduct in public office, perjury or perverting the course of justice
